Retiree Definition

You are considered retired if:

- You have received any benefits under the FRS Pension Plan (including DROP).
- You have taken any distribution (including a rollover) from the FRS Investment Plan, or alternative retirement programs offered by state universities (SUSORP), state community colleges (CCORP), state government (SMSOAP), or local governments (senior management).

¹If you are not retired and earned FRS service after certain periods in 2002 (depending on your employer), you must rejoin the FRS retirement plan you were enrolled in when you terminated FRS-covered employment. You may have a one-time 2nd Election to switch FRS retirement plans. Also, alternative retirement programs are available to certain employees. Contact your employer for deadline and other information.

²Positions include OPS, temporary, seasonal, substitute teachers, part-time, full-time, regularly established, etc.

³Florida law requires a return of all unauthorized Pension Plan benefit payments or Investment Plan distributions received by a member who has violated the FRS termination or reemployment provisions. Similar provisions apply to unauthorized SUSORP, CCORP, or other state-administered plan distributions – contact that plan's administrator for details.

⁴There are no reemployment exemptions/exceptions for Pension Plan members whose effective date of retirement or DROP termination date is on or after July 1, 2010 or Investment Plan members who retire on or after July 1, 2010.
