invitation to the Annual dinner and name on  
Patron Plaque

## Who are the Friends of the Niceville Public Library?

You are! Anyone can become a Friend of the Library! If you love books, seek information, read anything, listen to music or watch movies—you are a Friend. There are no age limits for our Friends; people of all ages, backgrounds and interests are welcome to join. We treasure ideas and recognize that our public library is a vital community resource. We appreciate the City of Niceville for providing us with a superb library that stands ready to serve the entire community with excellent resources and the highest level of customer service.

## What do the Friends do?

The Friends help with library programs, raise funds for special projects, volunteer for special events and programs, become library advocates, promote community awareness of the library, and support the freedom of individuals to access all types of information. Books donated by the community are sold, and the proceeds are used for library projects. Some Friends are deeply involved; some simply lend moral support. All have the satisfaction of knowing they have joined with others to demonstrate unwavering support for their public library.

**Be a Friend!**
