Welcome

**206 N. Partin Drive
Niceville, FL 32578
850-729-4070**

The Friends of the Niceville Public Library are concerned citizens who support the library in its efforts to provide high quality, lifelong service to the entire community. The Friends Group is the fundraising division of the Friends of the Niceville Public Library, Inc.

The Friends' mission is to provide resources to enhance and enrich the library through education community programs, acquisitions, & innovations that improve the quality of the library for our citizens. These include facilities, books, computers and media for children & adults.

Anyone can become a Friend of the Library. People of all ages, backgrounds, and interests are welcome to join. Some members are deeply involved in Friends' activities; others simply contribute financial & moral support.

The foundation also encourages investments in our library through a variety of giving opportunities: donations, grants endowment funds, planned giving programs, and memorials, which all provide tax benefits to donors.

The library's future depends on the generosity of both corporations and individuals, and we welcome your support.
